January Shows Increase

An increase of more than 5000 municipal bus fares during the month of January over December totals was announced today by City Engineer Julius F. Castelan, superintendent of the Daly City bus line.

This figure represents a 42 per cent increase in the number of passenger-trips made in January over the number of passengers carried in December, the city engineer stated. During January, a total of 17,003 fares were collected, as compared with 11,983 in December.

Interpreting the figures still further, Castelan pointed out that the busses were now averaging 549 passengers per day. This is an increase of 162 more passengers a day than the December average.

Maintaining a steady gain during the past two months, the busses showed a total of 5842 passengers for the first 15 days of December; 6141 for the second half of December; 7659 for the first 15 days of January; 9344 for the last sixteen days in January, according to Castelan.

Complete figures for the month of January follow. These totals do not include 82 school ticket books sold, representing 1640 half-fares or an additional 820 full fares, the bus superintendent pointed out.

Seventy Miles Proves Too Fast

Cornelius Geldens may not have considered 70 miles an hour very fast, but Judge Wade H. Clay did.

Brought into court Friday on a charge of speeding on Junipero Serra boulevard, the Burlingame driver admitted that he had been doing 70, but told the court that he "didn't consider it very fast." His car could do 120 miles an hour, he volunteered.

The Judge was not interested, and said so. He fined the would-be speed champ \$20.

Other cases brought up Friday were those of Aubrey P. Estes, San Francisco druggist, fined \$100 for drunken driving; Harry E. Lockwood, 880 Haight street, \$50 for a similar offense; Robert Julian Hughes, 5824 Fulton, \$2.50 for improper parking, and Roy Peter Barbata, 5 Margaret avenue, \$2.50 for speeding.

Free Valentine Program Set For Next Wednesday

A St. Valentine's day pageant will be staged at 8 p. m., February 14, in the Jefferson Union high school auditorium by local grammar school children, it was announced today.

The program will be under the direction of the WPA Recreation department, assisted by Oscar J. Busch, Jefferson Union high school music instructor, and Miss Marie Bell, recreation department juvenile dancing teacher.

Included in the entertainment will be dances and specialty numbers by Miss Bell's children, songs by the school choir and selections by the high school orchestra.

There will be no admission charge.

Slight Earthquake Felt In Daly City

Daly City rocked to a slight earthquake for nearly a full minute Sunday evening.

Although no damage was reported, buildings swayed and a low rumbling was heard.

The tremor occurred at 6:46 p. m., and appeared to center in the Sunset district near the ocean, where residents reported that windows were rattled and door lamps swayed.

No injuries or property damage were reported, either here or in San Francisco.

Italian Council Enjoys Banquet

Conviviality and good fellowship were the key-notes of the fifth annual banquet of the Italian Council of San Mateo County, Sunday, when more than 175 persons attended dinner at Merli's place in Princeton-by-the-Sea.

The Italian Council is made up of the Italian-American Citizens' club of Daly City and Colma, New Deal Club of San Mateo, Women's New Deal Club of San Mateo and the Progressive Club of Redwood City. Heading it is Joseph DiBiase, president of the Daly City club, who officially started dinner by introducing as toastmaster, Louis B. Dematteis, assistant district attorney of San Mateo county.

Called upon to speak by Dematteis were such personalities as Judge Wade H. Clay of Daly City, Mayor Christensen of Redwood City, County Executive Frederick Peterson, County Supervisors Jack Lynch, John Poole and Alvin Hatch; Daly City's Mayor Paul G. Selmi and Councilman Edmund Cavagnaro.

Other guests of honor included Mrs. Wade H. Clay, Mrs. Christensen, Mrs. Jack Lynch, Mrs. Alvin Hatch, Mrs. John Poole and Mrs. Paul G. Selmi.

Club officials who gave short talks were Joseph DiBiase, council president; Evelyn Markey, Women's Club president; Henry Mazzio, president New Deal Club.

Runaway Car Demolishes Fence

D. Castle, 89 Peoria street, looked out of her window to see a strange car resting at the side of her house.

The car, owned by Hal O'Neill, 98 Alexander street, had slipped its brakes while parked at the top of Roosevelt street, and gathering momentum as it careened driverless down the hill, crashed through Mrs. Castle's fence, stopping when it hit the house.

The damage: a shattered fence, one broken spring, dented fenders, a ruined headlight and a surprised housewife.

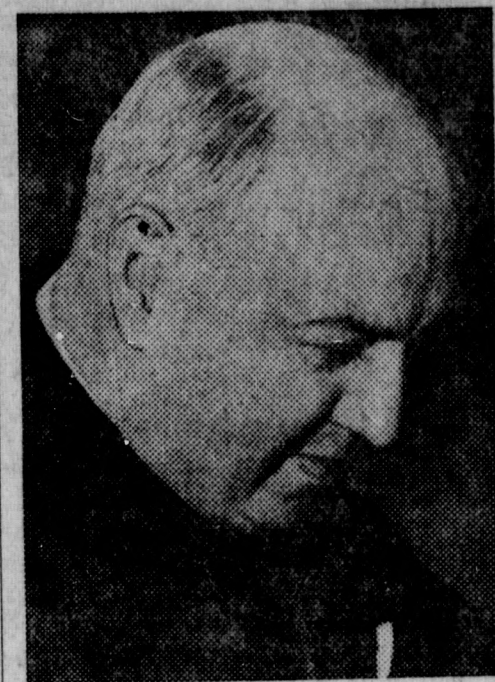

Albert Marcucchi Captures First Prize

To Albert Marcucchi, featured soloist with Dante P. Lembi's Indians of Rhythm, belongs the distinction of being the first Daly City citizen to take first prize on Eddie's Advershow Amateur contest.

Marcucchi, whose tuneful songs have won renown for both himself and his band, was awarded a gold watch, at the Daly City theater, Saturday night. The same evening he took second place at the El Rey theater.

A high school senior, Marcucchi is well known at Jefferson Union high school.

Dems Map '40 Drive

Under leadership of Postmaster General James A. Farley, national chairman, the Democratic national committee met yesterday to pick a time and place for the 1940 convention. Chicago was the city selected for the event.

Fire Damages Church

An alarm at 5 p. m. shattered the Sabbath quiet when fire broke out in the Grace Church of the Nazarene, Vista Grande and Santa Barbara avenues, Sunday afternoon.

Companies Nos. 1, 2 and 3 sped to the scene of action. After laying hose lines and extinguishing the main blaze, which had started in a basement storeroom, firemen donned oxygen masks and entered the smoke-filled rooms upstairs.

When the department had ventilated the upper rooms, it was found that no damage had been caused there, except for the floors. Judging from the charred joists and timbers in the basement, only quick action on the part of firemen saved the building.

Three members of the department, Chief Andrew P. Chesney, Captain Kai Peterson and Bert Leahy, were given first aid for cuts and scratches.

The cause of the blaze was unknown. Chief Chesney estimated the damage to be between two and three hundred dollars.

Regular services were held at 6:45 p. m., soon after the fire had been extinguished. Services will be continued as usual this week, according to N. M. Lewis, pastor.

Radio Players Cast In Satires

Radio Players met in the Little Theater, Jefferson Union high school, Thursday evening, with an initial audience of a dozen persons.

Two comedies were cast and rehearsed. Both plays are satires, a la John Erskine, attempting to expose both Napoleon and Nero as ordinary dumb mortals and not the super-men that history would have the public believe.

Under the direction of Bruce Boynton and Miss Marie Burton, WPA Recreation department, Radio Players expect to present both plays over the air at a future date.

The class, besides producing, will study voice control and microphone technique. Enrollments are still being taken.

Boot On Forehead Fells Albert Compani

It wasn't a right cross to the jaw that put Albert Compani, 236 Los Banos avenue, out for the count; it was a boot on the forehead.

Albert, playing on the Jefferson Union high school grounds, Friday morning, was hit squarely on the forehead with a shoe that one of his companions threw over his shoulder, scarcely thinking that it would find a human target. It did, and Albert sank unconscious to the ground.

Taken by ambulance to Junipero Serra hospital, he was treated for a bump on his head. X-rays showed that the damage was only external.

Auto Borrower Lands In Hospital

George Benham, 428 Bellevue avenue, parked his car in a downtown parking lot when he went to work Friday.

A little later, 20-year-old Rita Muldown, Berkeley, told the attendant she had lost her parking check, helped herself to Benham's automobile. She started down the Peninsula.

All went well until an accident wrecked Benham's car and sent Miss Muldown to the hospital. Police, checking on names and registration slip, decided the car did not belong to Miss Muldown, and investigation proved it.

She was sentenced to serve a 30-day sentence by Judge Alden Ames, Monday, for taking a car without the permission of the owner.

Damage to the extent of \$250 was done to Benham's car. He was covered by insurance.

Community Hall Group View Plans

The Community hall movement went another step forward, Monday evening, at the city hall, when Architect O. H. Hinterman submitted new plans for a building on the Vista Grande park site.

It was suggested that small sketches of the plans be sent to taxpayers, with a proposed questionnaire, to acquaint the public with more details.

Next meeting will be Monday, 8 p. m., city hall.

Golfer Meets New Playing Hazard

An unidentified local citizen learned Sunday that being a taxpayer does not automatically carry with it a license to destroy public property.

Investigating a report from the neighborhood of Vista Grande park, police found a man playing golf there on the new grass, ripping up the lawn each time his club missed the ball.

Officers reminded him that the Vista Grande park project had cost several thousand dollars and requested that he play golf elsewhere. The man retorted angrily that since he was a taxpayer and had helped pay for the park, he could play there if he wished.

The officers suggested that since he had also helped pay for the city jail, perhaps he would like to get his money's worth out of that, too.

Needless to say, the golf game was finished elsewhere.

To Start Street Work

The long-awaited announcement of the beginning of actual construction on the South End streets improvement project was made this week from the office of City Engineer Julius F. Castelan.

A crew of 120 WPA workers will begin work, Friday, according to the announcement. Divided into two sections, one group will begin on Peter and Paul streets and one on Market and Second. Initial construction will include sidewalk curbs and gutters and sewer laterals.

The project will be directed from a WPA office at the corner of Moltke and Mission streets, by Superintendent Arnold, who was in charge of the Thornton Beach work.

All of the local WPA workers will be employed on the job, Castelan said, in addition to those from near-by towns. The work is expected to employ a full crew for more than a year.

Final obstacles in the way of beginning construction on the \$250,000 WPA job was cleared out of the way, Monday evening, when the city council met in special session to pass a resolution establishing detailed plans for the project.

Survey crews have been doing preliminary work on the job for the past month, the engineer stated. The project is the second largest of its kind ever to be undertaken in Daly City.

Boys And Kites—And Electric Wires

With even the grown-ups turning out to fly kites these sunny Spring days, the Pacific Gas and Electric Company deems it time to caution both boys and their dads about the dangers that modern civilization has brought to this age-old sport.

Emphasizing the menace of electric, telephone and trolley wires, the company issued the following six safety rules to safeguard kite fans:

1. Never fly a kite near electric or trolley wires.
2. Never climb poles to untangle a kite.
3. Never let a kite go over radio aerials.
4. Never build or fly a kite

Indians Entertain 700 Students

The Jefferson Indians of Rhythm are not one-armed paper hangers but that's how busy they have been the last few days.

First, they played for a dinner-dance in Burlingame for the Burlingame fire department. Then they entertained the entire student-body of 700 at St. Cecilia's school in San Francisco. The cowboy band was recently featured in a March of Dimes benefit at Hayward.

Tomorrow evening, Lembi's ambitious swingsters will play for the YMI Club of Colma at the parish hall. Friday evening, they will be the guest entertainers at an amateur contest night between the Brisbane and Bayshore City schools at Bayshore. The Indians will put on a complete hour's show.

Jefferson Takes Basketball Lesson

Jefferson's lightweight cagers met defeat at the hands of one of the smoothest working teams on the Peninsula when Burlingame won with a 41-29 score, Friday.

Burlingame's Bowers proved he could drop the ball in the hoop from practically any angle and chalked up twenty markers for his team.

Jeff's Domecus, who has shown improvement game by game, scored 11, Filios 8, Volkman and Razzari 4 each, Pietsh and Huerta, 1 each.

Jeff varsity, as usual, looked good in the first quarter, getting the lead and keeping it, but Burlingame started to pull away in the second and continued piling up a lead for the rest of the game.

Scoring for Jefferson were Guisti with 9 points, Lekoff 6, Ramsey 4 and Brismo 1. Score: Burlingame 37, Jeff 20.

The lightweights and varsities will play South San Francisco's two teams, Friday, at South San Francisco. The first game starts at 7:30 p. m.

Italian Council Enjoys Banquet

(Continued from Page 1)

and R. Macchi, Progressive Club president.

As a token of appreciation and esteem, Joseph DiBiase was presented with a gold-banded fountain pen; Louis Delie, treasurer since the club's inception in 1933, a gold ring; Roy Barghini, past-president, an initialed brief case.

A hearty vote of thanks was given to Frank Barry and L. Morigoni, who headed the banquet committee, and were instrumental in its overwhelming success.

Dancing followed dinner, with the Italian Boys' orchestra supplying the music. Overheard after dinner were such remarks as "The best banquet ever," "the largest number of notables ever gathered at a county dinner," "the Italian Council certainly knows how to entertain."

At the close of the party it was evident that a closer bond of friendship and a better understanding had been created between neighbors from one end of the county to the other.

War Casualties Listed

First casualties of the next war were the hens of Joe Mikulich, and he wants to know what the government is going to do in the way of reparations. While limbering up for Armageddon, if and when it comes, the field artillery of the California National Guard planted an explosive shell in Joe's chicken coop near San Pablo. There was heavy loss of life among the feathered noncombatants, and the survivors, suffering from shell shock, have not laid an egg since.

Local Eagles Plan "Old Timers Night" For Official Visit, February 8

Tomorrow, February 8, Roy L. Driggers, state president of the Fraternal Order of Eagles, will make his official visit to Colma Vista Grande Aerie No. 1848, meeting in Eagles hall, 6276 Mission street, according to Bert Merritt, president of the local aerie.

In addition to being the official visit, the meeting will be known as "Old Timers Night," with three members of the organization, Ed Heim, Vernon Sharrar and William Bolger, receiving 20-year veteran buttons.

A turkey dinner will be served. The social committee is headed by William Wright and the member-

schools and attendance officer of Kern county.

It is the first time in history the Eagles have called a school man to head the California State Aerie, putting the leadership of 60,000 members of the order in this state in the hands of a well known educator and champion of working people and one who has always defended the cause of equality.

Drigger's record with the Fraternal Order of Eagles is outstanding. He was president of the Porterville Aerie when it had less than 200 members and through his leadership the aerie takes a leading part in all community activities.

Driggers has been active in the State Aerie for several years, serving on the old age pension committee when the present old age legislation was enacted into law.

Lights! Action!

Things happen fast when The Record goes to press!

Monday evening at the city hall Councilman Ed Cavagnaro showed a gold pin he had found to a Record reporter, saying he was looking for the owner.

Tuesday evening, looking at the first proof off The Record presses, the reporter saw a classified ad giving details of the loss of a gold pin.

The Record phoned Cavagnaro; Cavagnaro phoned the advertiser. The gold pin was restored to a grateful owner before the paper advertising its loss was on the street.

Royal Hauntians Write Ghostly Note

A little note received this week from The Record's faithful, if unknown, correspondents, the Royal Hauntians of the Black Chapel, explained that the ghostly club was not really building a club house after all, but merely furnishing a club room with black drapes, the editor presumes.

Other details gathered from the note were that the Hauntians had initiated a new member, and that the club holds a social night each third Friday, when members are allowed to bring friends and non-members. Club business (such as haunting?) is then laid aside in favor of cards, dancing and refreshments.

Two Americans Face Death In "Barricade"

With Alice Faye and Warner Baxter together for the first time as a romantic team, "Barricade" stars these two top-notch Twentieth Century-Fox personalities in a thrilling modern story of startling realism. It opens tomorrow at the Daly City Theatre.

The veteran character actor, Winner, portrays the heroic

American consul to whose compound come a little group of American and British refugees fleeing the bandit terror.

Also to this little fortress come Alice Faye, in the role of a nightclub entertainer fleeing from a murder, and Warner Baxter as a newshawk after her story.

Companion feature on the bill is "South of the Border," starring Gene Autry.

Ruth Draper Presents Famous Sketches

On Monday, February 5, Ruth Draper began a two-weeks' engagement, with matinees Wednesdays and Saturdays, in her famous character sketches at the Curran theater, San Francisco. That announcement is exciting for lovers of the finest art in the theater, for this unique artist provides a most amazing and amusing entertainment for theatergoers.

There is no word in the English language which quite describes the talent of Ruth Draper. Monologist in its accepted sense fails utterly. She is something more than an actress.

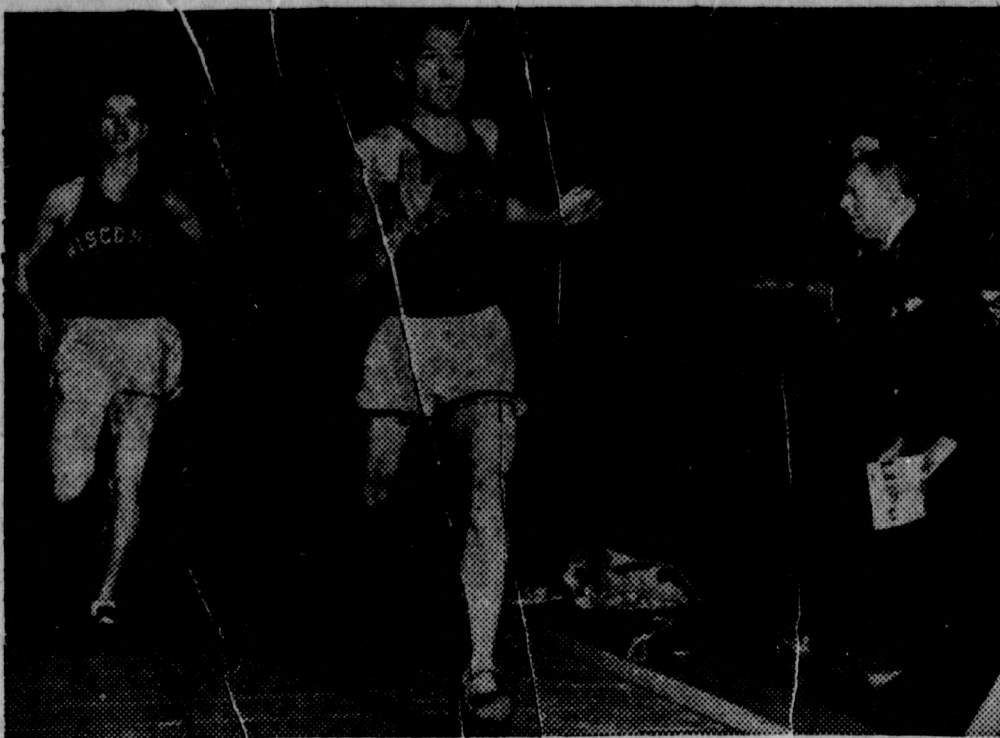

Working alone, Miss Draper provides a more exciting and satisfying performance than does many a large cast of actors. A wardrobe of six shawls, a couple of absurd hats, and an apron or two; an umbrella, a cane, and a raincoat—Ruth Draper becomes a hundred characters by the sheer magic of her art, which is a completely personal thing, an almost unbelievable thing so different from the accepted routine of the theater.

Evening performances will be at 8:30 p. m., and the matinees at 2:30 p. m.

More Room With Mirrors

The long polished plate glass mirrors brightening the interior of the new aluminum, rubber-sprung and rubber-wheeled luxury subway car placed in service in New York recently have a definite psychological function, designer Frank Shepard explains. They "multiply" the apparent space and lure passengers away from car doors, points of greatest congestion in rush hours.

Juvenile Crime Wave At Daly City Nut Shop

It cost the Daly City Nut Shop \$1.50 last week to replace money stolen from the March of Dimes box on the counter there.

Taking advantage of a rush period while the store was crowded with customers, two small boys took the box off the counter and left with it, joining two more little boys outside.

So that the March of Dimes movement would not suffer, the Nut Shop management donated \$1.50 to replace the money taken.

D. C. Theatre Names New Assistant Manager

Joe Hildreth, formerly connected with the State theater at San Jose, has been made the new assistant manager of the Daly City theatre, according to William Smeltzer, manager.

Hildreth replaces Charles Shaffer, former assistant manager here, who has gone to the State theatre in South San Francisco to assume a similar post.

Not So Bad

The Melbourne, Australia, government is convinced that traffic and driving instructions offered in a humorous vein are more effective than the usual type. With every driving license now granted is provided a book entitled "Many Happy Returns," containing instructions like the following: "It isn't your fault if all the other road users are completely daft, but it is your fault if you aren't prepared for them to be so."
